Subject: United Heckathorn Site, Richmond, California

Dear Keith:

Enclosed are copies of Levine·Fricke's reports entitled "Feasibility Study for the United Heckathorn Site" and "Interim Remedial Actions Performed Along the Embankment United Heckathorn Site." Both of these reports were submitted to the U.S. Environmental Protection Agency on Friday, January 11, 1991. Please call me or Jim Levine, if you have any questions on either of these reports.

Sincerely,

Alan L. Leavitt
Senior Engineer
